Maintenance

Full coverage subscription for responsive maintenance

Aligned Services

Multiple safety checks or services in a single visit

Rental Minimum Standards

Comprehensive check and report by trained, insured technicians

Energy Upgrades

Property refurbishment and energy upgrades

"As the CEO of Inner East Social Housing Group, I've witnessed first hand the positive impact of Taskforce's subscription maintenance services on our organisation and, more importantly, on the lives of those we serve."

- Prameend Singh - CEO, Inner East Social Housing Group

Our Housing Partners Include

Why Choose Taskforce?

Happier residents

We bundle jobs into a single visit and let them choose the appointment time that works best for them.

Account management

We support you with your own dedicated account manager.

Predictable budgets

Enjoy accurate forecasting and consistent monthly spend with our subscription maintenance model.

Streamlined asset management

Lighten your workload with automated services and comprehensive reporting across your entire portfolio.

"Taskforce have demonstrated professionalism and flexibility and saved countless hours of Housing Choices Australia's staff valuable time, which is why we have signed on with Taskforce for all our Electrical and Gas compliance needs for at least the next four years."
